FACTS — What does JACE do with your personal information?

Why?

Financial businesses choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information.

What?

The types of personal information we collect and share depend on the product or service you have with us. This information can include:

• Social Security number / Taxpayer ID

• Contact information and identifiers

• Transaction history and account activity

• Identity verification information

How?

All financial businesses need to share customers' personal information to run their everyday business. In the section below, we list the reasons financial businesses can share their customers' personal information; the reasons JACE chooses to share; and whether you can limit this sharing.

REASONS WE CAN SHARE YOUR PERSONAL INFORMATION

For our everyday business purposes (service delivery, security, fraud prevention, compliance): JACE Shares? YES | Can You Limit? NO

For our marketing purposes: JACE Shares? NO | N/A

For joint marketing with other financial companies: JACE Shares? NO | N/A

For our affiliates' everyday business purposes: JACE Shares? NO | N/A

For our affiliates to market to you: JACE Shares? NO | N/A

For nonaffiliates to market to you: JACE Shares? NO | N/A

*JACE's default is not to sell/share nonpublic personal information for cross-context behavioral advertising. If that changes, we will update this notice and provide applicable opt-out mechanisms.

WHAT WE DO

How does JACE protect my personal information?

We maintain safeguards designed to protect your personal information from unauthorized access and use. These safeguards include administrative, technical, and physical measures.

How does JACE collect my personal information?

We collect personal information:

• From you when you provide it via forms, uploads, or communications

• From your transactions and usage of the platform

• From third parties to verify identity, prevent fraud, and improve security

WHY CAN'T I LIMIT ALL SHARING?

Federal law allows certain sharing that you cannot limit, such as sharing for everyday business purposes, to comply with law, and for fraud/security purposes.

DEFINITIONS

Affiliates: Companies related by common ownership or control. They can be financial and nonfinancial companies. JACE does not currently share with affiliates for marketing.

Nonaffiliates: Companies not related by common ownership or control. They can be financial and nonfinancial companies. JACE does not currently share for nonaffiliates to market to you.

Joint marketing: A formal agreement between nonaffiliated financial companies that together market to you. JACE does not currently jointly market.

This is for persons in the US only.
